

A Welcome from Allyson Brown,

Chief Executive Officer, Community Academies Trust.

Welcome to Community Academies Trust: a family of schools united by a shared belief that every child deserves to thrive.

Each of our schools has its own identity, history and place at the heart of its community. We celebrate that individuality while bringing schools together to share expertise, ambition and support.

Our vision is simple and bold: every child thrives, every adult grows and every community benefits - through exceptional inclusive education across our family of schools.

“Education changes people. People change the world.”

Paulo Freire

For us, education is about more than lessons and results. It is about helping children grow in confidence, curiosity and character, so they can make a positive difference to their own lives and to the world around them.

Across our Trust, we focus on what matters most: excellent teaching, strong relationships, inclusive support and rich opportunities beyond the classroom.

We want every child to feel known, valued and inspired — proud of who they are, confident in what they can achieve and excited about their future.

Together with families, staff and communities, we are building something special: schools where children flourish, adults grow and communities are stronger.

You can find out more about our Trust on our website – www.communityacademiestrust.org.

Very best wishes,

Allyson Brown
Chief Executive Officer
